## Purpose and Vision

Peace Lutheran Church...

*A Life-Changing Community, Sharing Christ's Love!*

## Pastor's Message

### WHAT'S YOUR DREAM??

Everyone has a dream. What's your dream? I have had a dream for many years. My dream is that everyone would work together, be friends, and care for their neighbor. I believe God has put that dream on the hearts of people. I have found in some churches or congregations that this seems to be the ideal and the message. But how to get there? How do we practice Brotherly love or agape love?

The answer is that it takes practice, it takes encouragement, and it takes courage.

**Practice:** How do you practice brotherly love? By listening to your brother or sister and clarifying what they are saying. When you clearly understand, you can respond in a loving manner.

**Encourage:** How do you encourage one another? Encouragement is being positive as you respond to one another, not judging or taking offense. Sometimes people help by pointing out something that we may have done without realizing it. If we are to practice the love, than we also need to be encouraged and exhorted to understand and move forward.

All of the above takes courage. Courage to be open and honest with one another, the courage to love as a brother loves a blood relative. Show caring and concern for one another, bearing one another burdens so that we all overcome the world and the challenges in it.

As Peace Lutheran moves forward, let us strive to be the people who attract people because of the love for one another and the love of Christ.

Be Blessed,

**Pastor Paul**

**P.S.—** We have many opportunities to have people: **COME AND SEE!**

## "BEING DIFFERENT"

"In God's sight, this principle stands firm and unshakable: all saints live by the same Spirit and by the same faith, and are guided and governed by the same Spirit and the same faith, but they all do different external works. For God does not work through them at the same time, in the same place, in the same work, or in the sight of the same people. He moves at different times, in different places, in different works, and in different people, but he always rules them by the same Spirit and in the same faith. And each one is compelled by the work, place, time, persons, and circumstances, previously unknown to him, to follow God as he rules and guides him. This is the true knowledge of faith in which all saints are instructed, each one in his vocation." - Martin Luther, Treatise on

"the Judgment of Martin Luther on Monastic Vows" (1521) LW 44, p.269.

While Martin Luther first penned these lines during his time with priests and monks in mind, it's encouraging to know these words are so timely for the Church of Jesus Christ on earth today. We, at Peace, are made up of many "different people", with a variety of "different" talents and ideas. We don't always agree on how things "should be done," and that may be because being guided by the Holy Spirit, we are guided to do "different external works".

This September, we start-up again with a new church school year, we start-up with new sessions of Confirmation, we start-up with young adult and youth group's, and we start-up with adult Bible studies, to name just a few of the ministries at work. We start-up again with "different people" added to the mix in the body of Christ we personify at Peace. With these "different people" comes new ideas, new enthusiasm, new talents and ultimately change.

The thing to remember is that we are all guided by the "same Spirit and the same faith." It is vital that we embrace all the "differents" not as difficulties, but as opportunities given to us by the Holy Spirit to spread the gospel of Jesus Christ and to create faith in every life we touch.

Are you one of those "different people," like me, guided by the same Spirit and the same faith? In responding to God's love for me in Jesus Christ, I will try to let God work through me, remembering that it is God that I serve and no other. There is a certain freedom that comes in knowing that if "my way" doesn't always work out in what I try to accomplish, I can know that somehow God is working through me for the sake of the Gospel.

I encourage you to prayerfully consider how the same Holy Spirit is working through you, "being different."

Blessings,  
Pastor Curt

With all the constant summer rains, our beautiful church campus is being over run with pesky weeds and cobwebs. Our lawn service does such a faithful job of mowing and edging, but it is not in our contract to have them take care of the weeds on the sidewalks, near the walls and in the flower beds. Our walls are becoming covered with black cobwebs. This is not a very pretty sight for our guests and those renting our property.

No one person should be expected to do it all, but if several of us can help, we could keep up with the need for weeding and wall cleaning and get our campus back in shape. Could you offer to adopt a section? How about your family? Your group? Take a small section of the campus and make it your own.....Just like groups adopt a section of a roadside or highway.

The area around the flagpole, up near the buildings, the flower bed near the fellowship hall, and the walls around the old preschool building (youth room, meeting room, food pantry, etc., to name a few places that need our attention.) There are always fallen palm limbs after a storm that need picked up from the lawn. At the present time, no one is taking care of this important need and it is starting to show. The bottom line is that, we don't have the extra money to pay to have this done and it is our responsibility.

I will do my part....Who will join me? God will know who you are and you will be blessed!

Thanking you in advance!

Charlene O'Brien, Church Facilities along with Steve Barnett

Beginning on July 9th, and praying continually, the Call Committee has met weekly and made great progress reinitiating the PLC call process.

First step was to thoroughly study the call requirements established by LCMC and the PLC constitution, as well as the work done by the call committee prior to June, including the congregational survey results. We updated key call documents: primarily the ad for a senior pastor and the senior pastor covenant for employment. These documents have been presented to the PLC council for review.

We've posted the job ad on key web sites such as the LCMC website. Now that the job ad is posted, we will collect names, assess qualifications and interview potential senior pastors. To keep the congregation fully informed, we will post call committee meeting minutes on the PLC website, place brief updates in the weekly Sunday bulletin, and periodically schedule Peace in Progress meetings.

The LCMC website ([www.lcmc.org](http://www.lcmc.org)) is a valuable source of info and guidance. For example, it details the requirements for LCMC certification and contains a long list of LCMC pastors seeking a church to lead. We encourage congregation members wanting to understand more about the call process to visit the site themselves.

# We Learn

## EDUCATION

We are embarking on a new year of worship and service at Peace Lutheran Church. **Rally Day** for our **Sunday School** year will include students of all ages ( young and mature ) beginning on **September 10, 2017 at 10:00AM**. Our worship and study theme will be centered on the Holy Spirit for the month of September.

Before Jesus returned to heaven he gave us the privilege to tell the Good News of how God came to Earth to rescue the human race. We call this the Great Commission.

**Matthew 28:19-20** *"Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of age."*

### TEACHING TEAMS—VOLUNTEERS NEEDED

This year, we will be forming 'teaching teams' to work with the different age groups in our church. The duties will be shared with our volunteers, so that the commitment to teaching time can be rotated among our volunteers.

Pastor Curt has volunteered to work with our Junior High students, Richard Dixon will be working with the Adult Sunday School and Carolyn Richard will continue working with the Confirmation students. We are in need of members to work with the K-2nd grade students, 3rd-5th grade student, and 9th-12th grade students.

Please put this opportunity to serve, in your hearts and prayers. Please call Henrietta Pellecchia at 321-725-6790 or the church office at 321-72731 for more information or questions.

Respectfully submitted by,  
Henrietta Pellecchia

**Did you know?** Instead of writing multiple checks for individual contributions like the Children's Hunger Project, the Food Pantry, the GAP, etc., you only have to write one check. Simply designate the breakdown of your giving in the check's memo area or on the envelope itself. "FP" for Food Pantry, "CHP" for Children's Hunger Project, "GAP" for the Gap, and so on. Thank you for your contributions!

## DONATE YOUR GLASSES AND HEARING AIDS!

If you have old glasses or hearing aids that you do not use any longer, please bring them to the Narthex. There is a recycle box from the Lions Club on the table!

Our Food Pantry is always in need of donations of either food or financial donations to support this much needed ministry. Our community is flooded with people looking for help, and we are grateful that as a church, we can help meet the need, anyway we can. Your generous donations will allow us to continue to help them and together, we can see our community get stronger!

Our pantry is open on:

We service zip codes **32905** and **32907** only at this time.
