## Purpose and Vision

## Pastor's Message

### ALL MY FRIENDS AT PEACE...

Some of you have been asking where I would be going next.

First, I want to say that I have enjoyed being at Peace Lutheran Church these past months as your Interim Pastor. I will also say that God did call me to Peace for this season, and I pray I have been a blessing to every one of you.

Some of you know what I was doing before I came to Peace, but many do not. Some know about the Tapestry Christian College and Academy. This is one of the ministries I have oversight of under an organization I became a part of when I departed the ELCA in 1989. My life and ministry has been devoted to spreading the Gospel wherever and whenever possible, and it will continue as I continue on my journey with the Lord. The fact is, I am the President and Spiritual overseer of sixty-plus Ministries and Pastors. A few of the Ministries I manage myself, and most are led by other individuals who have their own Board of Directors and staff. I have managed to keep up with these while being at Peace. I believe the Lord has much more for me to do with many ministries and assignments He will send my way.

Over the Summer, Pat and I will be doing some traveling and visiting. We may not be attending Peace on a regular basis, but we will continue to be involved with Tapestry Christian College and Academy and the Medical Clinic ministry. We will not be leaving the area and want you all to know we will miss seeing the friends we have made here on a regular basis. We will always be friends.

I am always available to my friends and to the Body of Christ.

Remember these words.

Pray Hear and Obey

Pastor Paul

## Treasurer's Report

At the request of the church council, I'm posting the Treasurer monthly report in the narthex (bulletin board) for members to review.

During the month of March, a new air conditioner was installed for the Food Pantry area. That \$4,000 bill was paid in April. At the end of April, one of the air conditioners in the sanctuary will be replaced (before the hot weather returns). That bill of \$5,000 approximately will be paid in May. After that we only have the Peace Place air conditioner to replace (\$14,000 approximately). That will have to be delayed because our maintenance fund will be at \$5,000 approximately. (If you would like to put a little extra in your offering to contribute to maintenance, just make a note on your envelope or check as to the amount and write maintenance.) One reason the Council could not plan on having Vacation Bible School this summer was because the air was not working in Peace Place.

For anyone who hasn't pledged, attached is a pledge form. Pray on this and if God leads you, pledge above what you are currently giving in support of a new pastor, a renewed faith in what Peace Lutheran Church is doing in this community and moreover, in thankfulness and love to your Lord and Savior, Jesus Christ. Complete the form and return with your offering on Sunday or mail/deliver your pledge to the church office.

As Treasurer, I am being extremely careful with your offering. Only expenditures that have been approved by the Church Council are being paid.

If you have any questions or concerns regarding the church's finances, please contact me at my email of [TreasurerFaye@gmail.com](mailto:TreasurerFaye@gmail.com).

Thank you for your prayers.

Your sister in Christ,

Faye Schill, Treasurer

### PLEDGE CARD

It is time for Peace Lutheran Church to grow and support a new Pastor. To support growing the church, I am willing to increase my offering by \$\_\_\_\_\_ per month which would be about a \_\_\_\_\_% increase in my giving.

## CHILDREN'S CHURCH—EDUCATION

The month of May brings us time to celebrate our graduates at all grade levels. Many of our students will be going off to new cities and lands. They will be learning new skills and knowledge they will need to prepare for careers and for the adventures God has planned for them. Our prayers for all young church members to remember that wherever you venture, at home or in a different land, God is always there to help and support you.

Peace Lutheran Church celebrates our students that will be confirmed on Mother's Day, May 13, 2018. Carolyn Richard and Joy McVay have devoted their time and worked tirelessly to prepare our young members for this important step of dedicating themselves to a Godly life. The congregation thanks you for this deep devotion to our Confirmation students at Peace Lutheran Church.

The students in Children's Church thank Cindy Wagman, and all the church members that donated treats and helped prepare Easter Treat bags. A thank-you to Rick Pellecchia and Connor Sandberg for their help hiding the eggs for our young members to discover. The students in Children's Church will be discussing and completing various activities centered around the following Gospel Verses during May.

<u>Date</u>	<u>Gospel Verses</u>	<u>Theme</u>
May 6, 2018	John 15:9-17	As I Have Loved You
May 13, 2018	John 17:6-19	In the World, but Not of the World
May 20, 2018	John 15:26-27	Our Map and Compass
May 27, 2018	John 3:1-17	Measuring God's Love

It has been an honor and a pleasure working with our students in Children's Church and Vacation Bible School for the last twelve years. I am not able to continue my service in a teaching capacity, in the future. I will be happy and available to assist in our Education Program. Please consider sharing or co-sharing teaching responsibilities with members of Peace Lutheran Church. We will be experiencing new leadership and I look forward to the ideas and strategies to help increase our student population. Children's Church will continue through the month of June. We will be taking a Summer Recess to regroup and plan for the new school year. Your prayers and support have been invaluable to the success of our Church Education Programs. Thank you for your service and may God lead us on the pathway to a future of exciting growth and new ideas.

Blessings and Peace,

Henrietta Pellecchia

**“Christian League Youth Group”** is our youth ministry for the next generation. Our discipleship strategy with our youth is a vision of “partnering to see the next generation come to faith in Christ and follow Him in their daily lives.” If you are between the age of 5-16, we hope you consider joining us. Our youngest group is ages 5-9, with the youthful young ages 10-16.

**Location:** We meet in the Youth Room and are connected on *Facebook Messenger*.

**May / June Meetings / Events before the summer break: Our Meetings in May / June are below and from 6:00-7:30pm, at the Peace Lutheran Church Fellowship Hall and Youth Room. Dinner is provided. Hope you can join us for some fun & fellowship!!**

Wednesday, May 16<sup>th</sup> – Next Christian League Youth Group Meeting at 6:00pm, in the Youth Room.

Sunday, May 20<sup>th</sup> – Military Bible Stick display at Peace Lutheran Church between the 9:30-11:00am service's

Friday, May 25<sup>th</sup> – Christian League Youth Group Meeting at Andretti Thrill Park at 6:00pm

Sunday, May 27<sup>th</sup> – Military Bible Stick display at New Hope Lutheran Church after the 9:30am service

Sunday, June 10 – Military Bible Stick display at St Paul Lutheran Church after the 9:00am service

**Christian Youth League:** PLC is leading the way, joining with churches around our community to help, to guide, and to foster kids' relationship with the Lord and each other.

The Christian League Youth Group project in May / June celebrates Memorial Day and the men and women of our Military. In this, we'll be raising awareness and seeking donations for **Military Bible Sticks**, a thumb drive and hearing device that speaks of God's Word. Sponsored by the non-profit organization **Faith By Hearing**, each donated dollar supports the \$25.00 cost for the Military Bible Stick, and 100% of every donation supports the cause. Over 500,000 have been issued to our Troops, and the demand is ever greater today. Every donation is appreciated.

**This month's Message: How Parents & Adults Reduce Grit in Kids?** Recently we read Angela Duckworth's book, "*Grit*." Dr. Duckworth left a high-paying job in consulting to take a job teaching math to seventh graders in a New York City public school. She quickly realized that IQ isn't the only thing separating the successful students from those who struggled. In her book, she explains her theory of "grit" as a predictor of success. She believes grit is a combination of both:

- **Passion** – "I love this issue and want to do it more."
- **Perseverance** – "I want to do it long enough to master it."

Today, as a professor of psychology at the University of Pennsylvania, Angela also believes educators and parents need to understand how students develop from a psychological perspective. It's not usually a lack of intelligence that prevents young people from development. It's that we've removed most of the grit from their lives. We've stolen the need for grit in their childhood. Sadly, the single greatest predictor of success is grit.

Grit means sticking with something for a long time. It's approaching life like it's a marathon, not a sprint. Grittier kids are more likely to solve problems, to achieve goals and to graduate. Talent doesn't make us gritty. IQ doesn't make us gritty. In fact, they often diminish it. With talent and smarts, kids easily assume they can coast on their abilities. In one study, Duckworth found that smarter students actually had *less* grit than their peers who scored lower on an intelligence test. This finding suggests that, among the participants—all students at an Ivy League school—those who are not as bright as their peers "compensate by working harder and with more determination." And their effort pays off: The grittiest students, not the smartest ones, had the highest GPAs. Dr. Duckworth believes we, adults, need to get grittier about building grit in our kids.

#### **Consider These Common-Sense Thoughts on Grit:**

1. The more we do for them, the less they learn to do for themselves. 2. The easier life is for them, the less they naturally develop grit. 3. The more we prescribe for them, the less they're apt to develop grit. 4. The faster their solutions come, the less they tend to develop grit. 5. The more resources we give them, the less resourceful they become.

#### **The Role of Deliberate Practice**

Deliberate Practice is an idea we must re-introduce to students. It's the idea that grit requires consistent, ongoing habits to be practiced, even when results are not fast and the activity is not fun. Jonah Lehrer, journalist for *Wired* magazine, summarizes this term for us:

"Researchers, such as K. Anders Ericsson, argue that talent is really about deliberate practice, about putting in those 10,000 hours of intense training (plus or minus a few thousand hours). Beethoven wasn't born Beethoven, he had to work damn hard to *become* Beethoven. As Ericsson wrote in his influential review article, "The Role of Deliberate Practice in the Acquisition of Expert Performance:" "The differences between expert performers and normal adults are not immutable, that is, due to genetically prescribed talent. Instead, these differences reflect a life-long period of deliberate effort to improve performance."

Our challenge to you? Stop doing the grit for the teens in your life. You'd be amazed at how they can build it themselves.

**It's a good article on how to help developing teens stick with things in life. See the full article here:**

## Calling & Caring Ministry

Our team visits people who are in the hospital, nursing homes, and who are homebound. The rewards that we all receive are much greater than what we give.

**Please prayerfully consider joining our team, especially for the Summer months**, since two couples are gone up North to visit their families. Contact the church office or call **Terry Neumann** if you can give a little of your time to the sick and lonely.

Our Food Pantry is always in need of donations of either food or financial donations to support this much needed ministry. Our community is flooded with people looking for help, and we are grateful that as a church, we can help meet the need, anyway we can. Your generous donations will allow us to continue to help them and together, we can see our community get stronger!

Our pantry is open on: **Tuesday's—9AM -11AM and Thursday's—5PM -7PM.** We service zip codes **32905** and **32907** only at this time.

Thank you to everyone who has saved the cartons in the past few years.

## Never Alone

The Never Alone group is a support group and social club for single people over the age of 45 years of age.

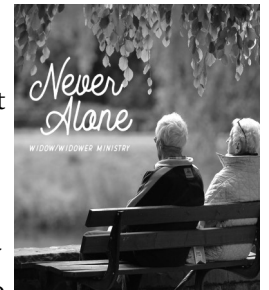

The group meets on the **1st Monday** of every month at 6:30pm. They also
